

<b>State of Alaska</b> <b>Division of Motor Vehicles</b> <b>Standard Operating Procedures</b>	<b>SOP No. R-20</b>	<b>Page No. 1 of 1</b>
	<b>Effective</b> March 13, 2006	
<b>Subject:</b>	<b>Supersedes</b> R-20	<b>Dated</b> 5/14/03
<b>DUI REGISTRATION REVOCATION</b>	<b>Approved</b>	
<b>Statute:</b> AS 28.35.030(n)(6) <b>Regulation:</b>	<b>Form No.</b>	

DMV is required to revoke the registration of all vehicles owned by a person convicted of a felony DUI (Driving under the Influence). To identify the vehicle(s) that are owned by the individual, the court includes an Affidavit of Vehicle Ownership in the pre-sentencing packet.

1. The court will forward the completed and signed Affidavit of Vehicle Ownership to the DMV Registrar.
2. The Registrar will forward the information to Contract Services for further action.
3. Contract Services will revoke the registration(s) of all vehicles listed on the Affidavit of Ownership as outlined below:

- Place a "STOP" message on the vehicle record that specifies the reason for the revocation, name of person convicted of the felony, date the revocation begins and the AMVC ID and office location number of the person that entered the message.

Example: DUI REG REV IN NAME OF JOE DOE 110503 ISA/222

- A courtesy letter is sent to the co-owner, if applicable.

Example: The registrations for all vehicles owned by [name of felon] who was convicted of a felony DUI have been revoked. The name of the felon must be removed from the vehicle registration. You are required to obtain a new vehicle registration in your name before operating the vehicle on the roadways of Alaska.

The revocation of the vehicle registration(s) in the name of the felon effects only the vehicle registration. It does not effect the ownership of the vehicle as reflected on the vehicle title.

4. If the felon is the sole owner of the vehicle, the message type would be a HOLD (H) instead of a STOP (S) as the felon is not eligible for a vehicle registration, even though the title remains in their name. If the vehicle has been sold, a change of ownership is required and a new title and registration must be issued in the purchaser's name. If a co-owner is being added to the title, the registration issued will contain only the co-owner's name. Contact the Registrar (Appendix A) to correct the record to show only the co-owner's name on the registration.

For questions on vehicles with a DUI Registration Revocation, contact the Registrar or Contract Services.
